

Experience

Banyan Hill Publishing

Graphic Design Intern

Jun 2022 - August 2022

- I assisted with advertisement graphics, photo editing, video thumbnails, monitor graphics and logo design.
- Designed and presented a project in which I helped conduct UI research for the company. This included competitor analysis and user interviews.

Graphic Designer

August 2022 - Present

- My responsibilities include (but aren't limited to) advertisement graphics, logo design, email graphics, photo editing, video thumbnails, monitor graphics, and infographic/chart design.
- Assisted with web design, helping write HTML for our product's launch website.

Re-Creation Home Improvement

Graphic Designer

Dec 2019 - Nov 2020

- Built an entire brand for a new home renovation company in Rochester, MI.
- Developed a series of concepts for the company and with every meeting we would narrow them down and further develop the chosen logos.
- Other design elements included logo mock-ups (signage, shirts, and website homepages,) business cards, and a letterhead.
